Meeting God in His Word

by *Gary Deddo*

The Mark Experience, Charlotte

Scripture, the written Word of God, is the gift of God to us. Jesus Christ is the living center of Scripture. As we get to know Jesus in his Word, we're getting to know the Living God through him by the ministry of the Holy Spirit.

As disciples of Jesus we want to get to know him as best we can so we can follow him and stay in tune with him each and every day. The best way to know him is to listen carefully and often to his word and then join him in following him according to his word.

In this seminar we'll spend our time studying together four passages from the Gospel of Mark. We'll get to know Jesus more deeply and personally so that our faith, hope and love for him will be nourished. We'll learn how to more carefully hear the Lord speak to us in his Word and grow in our relationship with him. We'll possibly break some bad habits and learn some new ones for proper Bible study. We'll learn how to have fellowship together in God's Word so that Bible study feeds and guides our life together. And for those who are interested, we'll learn a little about leading small group Bible studies that build up the disciples of Jesus and that also prepare us, members of his Body, for reaching out to others with the Good News of the Gospel.
